The annual 6-week children's program will begin Thursday, June 5th at the Ashville Community Park. Fun in the Sun offers FREE organized activities for children ages four and up from 10:00 am until 11:30 am. Each week will follow a theme with activities such as snacks, games, crafts and fun learning!

"Turtle Lady"

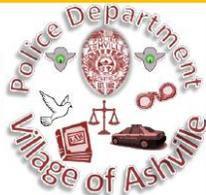

Nancy Lockard is the "Turtle Lady" and she will astound you with her friends. The program begins as she introduces the animals one by one. We learn basic facts about the animals. If we are lucky, the toads will croak, the snake will shed, the turtles will kiss, the dragons will eat, and the children giggle! More information at: www.turteladynancy.com

"Bicycle Safety"

With the Ashville Police Department Bike Safety Program. This include helmet safety, how to ride an obstacle course, hand signals, dealing with cars, etc. More information at: www.ashvilleohio.gov

"Matt the Balloon Guy"

Matt has been twisting balloons since his freshman year of high school when he went to the library to find 'How To' books on balloon twisting. A quick study, Matt soon started honing his craft at parties and restaurants. More information at: www.protwister.com/

"The Incredible Human Machine"

COSI is back. COSI's Body Mechanic helps students learn what it takes to keep their body engines in tip-top shape. Explore the digestive, nervous, and circulatory systems, plus learn about nutrients and how exercise keeps a body healthy. More information at: www.cosi.org

"The Princess and the Pea"

Presented by The Children's Theatre. Come see how the Queen tests the princesses that come to see the Prince by placing a pea in the bed each night. More information at: www.columbuschildrenstheatre.org

"The Harrison Township Fire Department"
