Application Materials Checklist

Round 36

(FY23)

All applications for Financial Assistance must be submitted online through the Salesforce based internal cloud platform WorksWise, found [HERE](#).

Items required to be submitted with the online application are as follows:

- _E-1_ A certified copy of the legislation by the governing body of the applicant.
- _E-2_ A certification from the applicant's Chief Financial Officer listing all local share funds budgeted, the source of the funds, and the date they are anticipated to be available.
- _E-3_ A registered professional engineer's estimate of the project's useful life. (Weighted useful life required for projects involving more than one type of infrastructure)
- _E-4_ Detailed cost estimate with both construction and engineering costs (if applicable) and engineer's original signature and seal. This should also show in-kind costs.
- _E-5_ Engineer Project Status Certification (Next to last page of the Methodology)
- _E-6_ FOR ALL WATER & SEWER PROJECTS - Water & sewer rates (based on 4500 gallons per month). Include copies of ordinances/resolutions that establish rates.
- _E-7_ 10 Item Narrative Form. Information missing from the Narrative may result in the loss of valuable points. Also refer to the Methodology to ensure you have included everything in the Narrative that is required.
- _E-8_ Map showing project location

NOTE: The Capital Improvement Summary and 5-Year Plan are no longer required to be submitted

Items that are to be included, if applicable to this project:

A-1 Letter of Support from Earnhart Hill

A-2 Data on Community Economic Health (LMI, MHI, Employment, Etc.)

A-3 US Census Bureau and Certified Census

A-4 Photos
