James R. Walsh

Memorandum to Mayor, Village Council, Fiscal Officer Re: Village Administrator 2021 September Village Council Meeting

State Route 316 Project

- The State Route 316 Project has resumed. It began with some surveying and status assessment.
- Newcomer Concrete out of Norwalk (www.newcomerconcrete.com) has returned to the village. They began on September 9th by placing no parking signs and site preparations. On September 10th they began removing sidewalks on the east side of Long Street. This started at Station Street, and they are moving South. They are working the entire length from Village Center to Station Street. Most curbs are completed, sidewalks substantially done. They are working on driveway, alley and intersections. Move to westside.
- ODOT has arranged with Strawser Paving to begin works on West Main Street. The objective of Strawser out of Columbus (www.strawserpaving.com) will be to make concrete repairs on West Main Street on Monday and Tuesday, September 13th and 14th. They plan to complete the partial and full depth asphalt repairs on Thursday and Friday, September 16th and 17th. Their future objective will be pave the surface course asphalt early the week of 9/20. Repairs will completed and paving will begin Tuesday, September 28, 2021.
- Please come back to this webpage for updates on the progress. Nicholson Construction (www.nicholsonconstruction.com) who is representing the bonding company of the previous contractor has stated their objective is to complete this project this year.

Updated project webpage.

Legislation: First Reading

- Resolution 14-2021 A Resolution Authorizing the Village Administrator and Fiscal Officer to Execute an Agreement for a Review of the Water Resource Recovery Facility for the Village of Ashville, to Execute Contracts as Required, and Declaring an Emergency.
