Dear Mr. Christman:

Your request for financial assistance has been approved for the Project entitled State Route 316 Improvements in the amount of \$1,010,037. The enclosed Project Agreement defines your responsibilities in accepting this financial assistance. Please adhere to the following:

- Review the document carefully to be sure you understand your responsibilities and to check that it accurately describes your Project.
- Sign the Agreement where indicated and retain for your records.
- Scan/copy the signature page and return to us by either email to [abbey.dehart@pwc.ohio.gov](mailto:abbey.dehart@pwc.ohio.gov), or by US Mail to the address listed above. Include any changes to officers and minor schedule changes with your transmittal.
- Use the above referenced Project number in your correspondence.

Disbursement requests cannot be approved unless we have received the Agreement signature page and approved the designated vendor if we will directly pay your vendor (vs. reimbursement).

The Project Manager named in the Agreement will receive a separate mailing pertaining to our program requirements detailed on our website at [www.pwc.ohio.gov](http://www.pwc.ohio.gov) including contractual requirements for bid documents, and reporting of in-kind or force account contributions. Your Chief Fiscal Officer will also receive a mailing pertaining to Project financial information.

If you have questions, please contact your Program Representative, Abbey DeHart, at 614 728-2466, or by email at [abbey.dehart@pwc.ohio.gov](mailto:abbey.dehart@pwc.ohio.gov).
