Mr. Franklin Christman,

Congratulations, your 2019 Transportation Alternative Letter of Interest, **State Route 316 Resurfacing**, has been approved to submit a 2019 Transportation Alternative Project Application. Please click the link ([CLICK HERE](#)) and you will be directed to the 2019 Application. Please note, all applications must be submitted by 11:59:59PM on Friday May 17th, 2019. Anything received after will be deemed late and not be considered. Also, the date from this document, May 17th, 2019 is the correct deadline. This document supersedes any other guidance. As always, Transportation Alternatives funding only covers Construction and Construction Engineering costs. If these costs are included in the project estimate, these costs will be removed when considering an amount to award. Once again, congratulations and good luck.

Respectively,
