To Whom It May Concern,

The Pickaway County Park District is now taking applications for our 2023 Park and Trail Improvement Grant. Since 2015 we have awarded over \$415,000 to support 61 local park and trail projects here in Pickaway County. This year we have set an additional \$90,000 to support Pickaway Counties' local park and trail projects in our 8th round of park and trail grants.

This year the District has changed the focus of this grant program to include the option to request fund for a Park Master Plan or Park Improvements. Applicants may submit applications for both the Master Plan Grant and the Park Improvement Grant within the same cycle. Applicants submitting projects under both grants will be required to identify their priority project. \$25,000 will be dedicated for the creation of local park master plans and \$65,000 will now be specifically dedicated for park and trail improvement projects. Please note that this will make this year's grant cycle very competitive and not all projects may be funded.

The grant applications are available to be picked up in the box outside our office at 548 Lancaster Pike, Circleville, Ohio 43113 as well as on our website at www.pickawaycountyparks.org/about-us/ptig/. You may turn applications in to our drop box outside of our door, through mail or through email. All grant applications are due by **4PM Friday December 16th, 2022** and grant awards are to be announced by **January 27th, 2023**.

If you have questions about the Park District or this grant program/application, please contact Arista Hartzler at 740-420-5451, or email me at ahartzler@pickawaycountyohio.gov and I would be happy to assist in anyway.

Sincerely,

Arista Hartzler
