Dear Mr. Christman:

Thank you for your application in the Transportation Alternatives Program. Considerable time and effort were spent reviewing each application for its transportation need, costs, and benefits to the local community. The Ohio Department of Transportation (ODOT) is informing you that the Ashville Pedestrian Enhanced Intersection Improvement project has not been selected for funding in the Transportation Alternative Program.

However, the Safety Program has awarded this project **\$79,519**. Unlike the Transportation Alternatives funding, the Safety portion will be funded at 90% of the eligible costs in Federal funds. Also, the Safety funds need to be used in the Construction or Construction Engineering phases of the project in State Fiscal Year 2025.

Please contact Brian Davidson, in the ODOT District 6 office at (740) 833-8397 or brian.davidson@dot.ohio.gov, to schedule a project scope meeting and start the process of programming your project. It is very important to establish solid commitment dates for your project. Failure to meet the programmed sale date could result in funding being withdrawn.

If you have any questions, please feel free to contact me at (614) 644-6394 or by e-mail at jeffrey.shaner@dot.ohio.gov.

Respectfully,
