WHEREAS, the Ohio Legislature has enacted natural gas deregulation legislation ("Am. Sub. S.B. No. 3") which authorizes the legislative authorities of municipal corporations, townships and counties to aggregate the retail natural gas loads located in the respective jurisdictions and to enter into service agreements to facilitate for those loads the purpose and sale of natural gas;

WHEREAS, such legislative authorities may exercise such authority jointly with any other legislative authorities;

WHEREAS, governmental aggregation provides an opportunity for residential and small business customers collectively to participate in the potential benefits of natural gas deregulation through lower natural gas rates which they would not otherwise be able to have individually;

WHEREAS, Council for the Village of Ashville seeks to establish a governmental aggregation program with opt-out provisions pursuant to R.C. 4929.26 (the "Aggregation Program"), for the residents, businesses and other natural gas consumers in the Village and in conjunction jointly with any other municipal corporation, township, county or other political subdivision of the State of Ohio, as permitted by law.

NOW THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF ASHVILLE, STATE OF OHIO:

SECTION 1. Council for the Village of Ashville hereby finds and determines it is in the best interest of its residents, businesses, and other natural gas consumers located within the corporate limits of the Village to establish the Aggregation Program. Provided this Ordinance is adopted by Council and the Aggregation Program is approved by the electors of the Village of Ashville pursuant to Section 2 of this Ordinance, the Village of Ashville is hereby authorized to aggregate in accordance with R.C. 4929.26, the retail natural gas loads located within the Village, and, for that purpose, to enter into service agreements to facilitate for those loads the sale and purchase of natural gas. The Village may exercise such authority jointly with any other municipal corporation, township or county or other political subdivision of the State of Ohio to the full extent permitted by law. The aggregation will occur automatically for each person owning, occupying, controlling, or using a natural gas load center proposed to be aggregated and will provide for the opt-out rights described in Section 3 of this Ordinance.

SECTION 2. The Board of Elections of Pickaway County is hereby directed to submit the following question to the electors of the Village of Ashville at the primary election on November 3, 2015.

Shall the Village of Ashville have the authority to aggregate the retail natural gas loads located in the Village, and for that purpose, enter into service agreements to facilitate for those loads the sale and purchase of natural gas, such aggregation to occur automatically except where any person elects to opt out?

PLAN OF OPERATION AND GOVERNANCE – VILLAGE OF ASHVILLE

Natural Gas Governmental Aggregation

Introduction. On November 8, 2016, a majority of the voters in the Village of Ashville, OH approved a referendum that authorized the Village of Ashville (“the Village”) to pursue Automatic Governmental Aggregation. After the Village held two public hearings on the matter, as prescribed by Section 4929.26 of the Ohio Revised Code, the Village approved this Plan of Operation and Governance, prepared in accordance with Section 4901:1-28-03 of the Ohio Administrative Code. Once certified as a Governmental Aggregator, the Village will be authorized to combine multiple retail natural gas customer loads within its geographic boundaries (the “Aggregation”) for the purpose of arranging for the purchase of natural gas supply in Ohio’s competitive retail natural gas market.

Governmental Aggregation Services. The Village, as a Governmental Aggregator, will serve as purchasing agent for the Aggregation. As purchasing agent, the Governmental Aggregator shall (i) select a Competitive Retail Natural Gas Supplier (“Supplier”) to supply the Aggregation, (ii) negotiate the terms of supply between the Supplier and each Aggregation participant, and (iii) oversee the enrollment procedures administered by the Supplier.

The Contract. The supply contract negotiated by the Governmental Aggregator for the Aggregation (the “Contract”) shall be for firm, all-requirements supply. Each Aggregation participant will be individually bound to the Supplier by the Contract, and will be solely responsible for payment and performance. The natural gas supply charges for the Aggregation are included in the Contract that will be negotiated by the Governmental Aggregator. The natural gas supply charges will take the form of either a fixed price or a variable price. All natural gas supply charges will be fully and prominently disclosed in consumer enrollment materials (such as the Opt-out Notice), available on the Supplier’s website, and available by calling the Supplier’s toll free customer service telephone number.

Eligibility, Opt-out Disclosures, and Pooling Accounts. Section 4901:1-28-05 of the Ohio Administrative Code requires Columbia Gas (the “Utility”) to use its best efforts to provide the Governmental Aggregator with an account list of eligible customers, including the names, account numbers, and service and mailing addresses for all eligible customers residing within the Governmental Aggregator’s boundaries. The following customers are not eligible: customers on the Percentage of Income Payment Plan (PIPP), customers that have past due amounts owing to the Utility, customers that are already under contract with a competitive retail natural gas supplier, and mercantile customers. Using this list of eligible accounts the Supplier, with the assistance of the Governmental Aggregator, will review the list to verify that the eligible accounts are located within the geographic limits of the Village and that an area within the Village limits has not been inadvertently filtered from the list.

The Supplier, with assistance from the Governmental Aggregator, will prepare and mail an “Opt-out Notice” to each account identified as (i) eligible by the Utility and (ii) within the geographic limits of the Village by the Governmental Aggregator and the Supplier, within thirty (30) days of receipt of the list from the Utility. The Opt-out Notice will inform the eligible account holder that the Governmental Aggregator is forming an automatic (or “Opt-out”) aggregation, provide the price for natural gas supply to the Aggregation and other terms and conditions of service, and explain how the account holder can decline participation in the Aggregation. As required by 4901:1-28-04 of the Ohio Administrative Code, the Opt-out Notice will indicate that the account holder has 21 days to affirmatively respond by

telephoning a toll-free number, using a website or returning a postcard to the Supplier that is included in the Opt-out Notice.

The Supplier will receive all Opt-out requests and adjust the eligible account list accordingly. In addition, if any Opt-out Notices are returned by mail to Supplier marked as undeliverable, those accounts are removed from the eligible account list as well. Upon completion of the 21 day Opt-out period, the Supplier will notify the Utility of the remaining accounts that will form the Aggregation, and through an electronic data interchange transaction, enroll the Aggregation. Upon enrollment, each participant will receive an enrollment notice from the Utility that will indicate that the enrollee may rescind its participation in the Aggregation by contacting the Utility within seven business days.

In addition to the initial 21-day Opt-out period, each participant will be provided an opportunity to opt-out every two years without paying an early termination fee.

Billing. Aggregation participants will receive a single, monthly bill from the Utility, which will include charges from the Supplier for its natural gas supply, as well as the Utility distribution charges. Aggregation participants will be billed according to their Utility billing cycle.

Credit, Collections and Deposits. The Utility's credit and collection policy and policies regarding deposits will apply to the Aggregation participants and shall be administered by the Utility. Neither the Governmental Aggregator, nor the Supplier will implement additional policies with respect to credit, deposits and collections.

Concerns and Complaints. Aggregation participants will have multiple means of expressing concerns and reporting complaints. As a general rule, concerns regarding service reliability and billing should be directed to the Utility. The Utility will continue to read meters, handle billing, and generally have the most information about the physical service to a location or account. Questions regarding the administration of the Aggregation should be directed to the Supplier. ~~The Supplier's customer service center is available by telephone 24 hours per day, 7 days per week. The Supplier's customer service center is Monday through Friday 9:00 till 4:00, message outside of these hours will be contacted promptly the next business day.~~ Any unresolved disputes should be directed to the Public Utilities Commission of Ohio and/or the Ohio Consumers Council. Broad St., Columbus, OH 43215-3793; by fax to (614) 752-8351; through their website at www.puc.state.oh.us or by calling toll free (800) 686-7826 (VOICE) or (800) 686-1570 (TTY-TDD). Records of customer complaints will be retained for two (2) years after the occurrence of the complaint. A copy of the complaint record will be provided to the PUCO within three (3) business days, if requested.

Moving within the Village. Aggregation participants who move from one location to another within the corporate limits of the Village and retain the same account number, will remain an Aggregation participant and will receive the same price they would have received if their location had not moved. Aggregation participants who move from one location to another within the corporate limits of the Village and are assigned a new account number may enroll their new account in the Aggregation and receive the same price as they would have received if their location had not moved, provided the new account is eligible for Aggregation. Participants who move and receive a new account number may be dropped from the Aggregation by the Utility, but they will not be charged an early termination fee from the Supplier. If a participant is dropped from the Aggregation due to a move within the Village, the participant should contact the Supplier to be reenrolled.

Moving outside of the Village. Aggregation participants who move out of the Village limits will no longer be eligible to participate in the Aggregation, but they will not be charged an early termination fee from the Supplier.

Enrolling after the Opt-out Period. Residential and small business accounts located within the Village's corporate limits that are eligible to join the Aggregation but initially chose to opt-out of the Aggregation, or otherwise weren't included in the Aggregation, may join the Aggregation after the expiration of the applicable Opt-Out Period by contacting the Supplier. The rate for those joining the Aggregation after the expiration of the Opt-out Period may be different from the rate negotiated for the Aggregation by the Government Aggregator. In the event that the Supplier is able to offer to newly eligible customers the same price that is provided to the current Aggregation participants, the Supplier may refresh the Aggregation by providing those who move in to the Village the opportunity to be included automatically, rather than waiting until the next pricing term of the Contract. The process for refreshing the Aggregation with new enrollments would follow the process noted above for determining eligibility, providing Opt-out Notices, and pooling the accounts. (Current Aggregation participants and those who previously declined participation would not receive the Opt-out Notice intended only for newly eligible customers.)

ENROLLMENT NOTICE

Dear Resident or Small Business:

In November 2016, The Village Of Ashville residents approved by majority vote the creation of a Natural Gas Aggregation Program to seek lower natural gas rates for eligible residential and small business customers. The Village Of Ashville council selected (SUPPLIER) Services, Inc. to supply natural gas to the Village Of Ashville Natural Gas Aggregation Program. As a resident or small business owner within The Village Of Ashville, you are eligible to participate in this program.

You will be automatically enrolled in the program unless you opt out by Date, 2017.

Benefits

The Village Of Ashville has negotiated a competitive price of \$*./ccf. This pricing will be effective from your first meter read in (DATE) through your (DATE) meter read. Please see the enclosed Terms and Conditions for full details.

Billing and Service Unchanged

Other than the price and supplier, nothing regarding your natural gas service will change. You will continue to receive one monthly bill from Columbia Gas. Columbia Gas will continue to deliver your natural gas, restore service following an outage, and be responsible for maintaining the system that delivers natural gas to your home. While (SUPPLIER) offers budget billing of its generation service charges for this aggregation program, please note that if you are currently on budget billing with Columbia Gas, the utility may bill you for any balance owed to them at the time of enrollment. This may result in a charge or a credit from Columbia Gas, depending on the current status of your budget billing accumulation. To set up budget billing with (SUPPLIER), please call our customer service center at (888) 888-8888. Please note: (SUPPLIER) will bill you for your actual energy supply charges (rather than any budgeted amount) until you have contacted us to set up your budget billing account. Your budget billing with Columbia Gas will automatically continue for all other portions of your Columbia Gas bill other than the energy supply component if you are currently enrolled with Columbia Gas for the same service.

Be Informed

- If you do nothing, you will be automatically enrolled in the Village Of Ashville program
- Columbia Gas will continue sending monthly bills, responding to outages, and delivering your natural gas
- No one from the Village Of Ashville program will ever come door to door and ask you to switch to a new supplier. Anyone who comes to your door asking you to switch is not with the Village Of Ashville program.

To participate in the program, DO NOT return the card below.

If you do not wish to participate, fold and tear at perforation and return this portion in the enclosed envelope.

NOTIFICATION OF INTENT TO OPT-OUT
