Police Beat

Winter is here and the ponds are freezing over. Or are they? While we have not been able to locate statistics on how many people fall through the ice each year, we have learned that approximately 235 people are killed each year as a result of falling through ice. The ponds in our village have aeration devices that prevent ice from forming in the middle. While the ice on the edges of the ponds may seem thick enough to handle the weight of a person, the ice does get thinner the farther out one goes. The police department has already asked children to stay off of the ice on ponds in the village. Please help us to insure a safe winter and make sure our children stay off the ice.

Thank you. *Chief Clark*

New Ashville Officers

Mayor Wise has sworn in two officers since June. On June 6, it was Sara Hempstead and on October 26, it was Michael Hedrick with his family present. Both individuals have previously worked for the Circleville Police Department.

Seasonal Advice from the Village of Ashville Service & Police Department

While the weather has been mild, we are preparing the village for winter. The goal of the service department is to maintain the safe flow of traffic. The crews work around the clock as needed for snow plowing and salt application. The snowplows will clean the streets from curb to curb. You can help the service department during sleet, hail, ice, and snow removal. This can only be done if cars are not parked along the curb. Please remove car (s) to an area that has been plowed. They can be returned once plowed.

Main and secondary roads are given first priority for plowing and salting to assure emergency accessibility and to ease traffic congestion. Residential streets are plowed afterwards.

Primary Streets = Main, Long, Station, Circleville Ave., & State Route 752

Secondary Streets = Jefferson, Miller, Scioto, Cromley, East, Powell, Randolph, Walnut, Plum and Park.

All Remaining Streets in Ashville

Snow Parking Ban - Parking is prohibited in Village Business District when snow has accumulated to a depth of two (2) inches. Signs are posted in these designated areas.

Property owners are responsible for snow and ice removal from sidewalks in front of their property. Depositing of snow or ice onto any public street or sidewalk is prohibited. Snow must be kept on the property it falls. Snow from your driveway may not be taken across the street. Also, please keep fire hydrants and storm sewer drains clear.

If you need the Service Department, call 983-6367 and ask for Dave Ballard. He is our Service Dept. Superintendent and he will return your call. (We would like to call your attention to pot holes. If you happen to see them, please call 983-6367).

We thank the dedicated drivers for working long cold hours to make our streets safer to drive.

Ashville Office Drop-off for Dog Shelter Items

Police Beat and Tax Department

Beware of internet scams that pretend they are from the IRS stating that you need to click on a link to avoid penalties or obtain a refund. Delete. If you feel compelled to follow-up contact the IRS directly.

Another scam involves the Better Business Bureau (BBS) and complaints. Again our best advice is to go directly to BBS. Do not open any files.

A good website to go and check these out is www.scamtrends.com
