The Mayor's Column—New Business

I am happy to announce the opening of a new business in Ashville. Dollar General had a soft opening on May 3rd and Grand Opening on May 20th. It is located at 499 Long Street which is on the corner of State Route 752 and Long Street (State Route 316).

Jeremy Preston is the Store Manager. Mr. Preston, pictured below, talks with Mayor Wise about Dollar General. Their Mission

"In Dollar General, you'll find a company that embraces substance and simplicity. Our mission is Serving Others. For more than 75 years, we have served communities with convenient-sized stores to deliver everyday low prices on products that our customers use every day. We deliver a smarter, easier shopping solution accessible to more consumers." Their Model

"Dollar General stands for convenience, quality brands and low prices. Dollar General's successful prototype

experience. We design small neighborhood stores with carefully edited merchandise assortments to make shopping simpler. We don't carry every brand and size, just those our customers want the most.

Dollar General saves you time by staying focused on life's simple necessities: laundry detergent, toilet paper, soap, shampoo, socks and underwear...and maybe a gadget or two that you just can't live without." Information from their website: Go to www.dollargeneral.com/. Add the "app" pictured above from that same website. Their phone number is 740/983-4870.
