Hello Franklin,

Thank you for letting me know about the timeline. Please see below for estimated totals for the original items you requested. Since we are unsure if this will be a prevailing wage/Davis Bacon Act wages, I have included estimates for both. Our installation estimate is on the left, and prevailing wage is on the right.

When I return to the office I am happy to send a full proposal with more detail as well as set up a time to visit the potential playground location. Please let me know if you need anything else.

Thank you!
