December 11, 2023

Franklin Christman  
Village of Ashville  
200 East Station Street  
Ashville, OH 43103

Dear Franklin,

Thank you for reaching out to The Adventurous Child! You have a wonderful community dedicated to the emotional, social, and intellectual growth of your children. We are so excited to help you plan a new outdoor classroom and give you the playground that your residents deserve.

We have created a new design that focuses on accomplishing your main goals of:

- Providing a safe place for children to play
- Giving children access to new equipment that focuses on gross motor development and physical fitness
- Creating an outdoor classroom that encourages children to spend more time outside
- Incorporating diverse areas for unstructured free play that teach the whole child and reinforce a STEM based curriculum
- Building an aesthetically pleasing outdoor space that will provide a quality ROI for the community

**Information about Products and Safety:**

All products are designed and manufactured at our headquarters in Cincinnati. We use either 100% natural elements or 100% recycled plastic. All recycled plastic items, including the playground, are designed to be low maintenance and exceptionally durable. The average life span for the outdoor classroom included in this proposal is 20 years.

We also take safety very seriously. Because we design, manufacture, and install the equipment; our team of Certified Playground Safety Inspectors (CPSI) will perform at least two playground safety inspections. The first will occur at our warehouse, and the second inspection will be completed after installation. We will guarantee that your equipment will be safe, developmentally appropriate, and you will pass your next inspection.

Thank you, again, for your consideration. It is our goal to give you and everyone in the Village of Ashville something that you love. We are happy to make additional changes as needed to ensure that we have captured your vision and helped you accomplish your goals.

Thank you for the opportunity!

RJ Rushing, President  
Certified Playground Safety Inspector

<b>Total Use Zone</b>	<b>16,070.00</b>	<b>16,875.00</b>

Playground Equipment Quote

**Color Wheel (with posts)**

**3,070.00      3,225.00**

Its unique design allows children to mix sunlight with primary colors to create secondary colors.

**Large Balance Scale**

**830.00      870.00**

Children learn about math and science concepts. Add buckets (not included) and children can observe which side lowers and which side raises when objects are added.

**Drum Panel (with posts)**

**2,600.00      2,730.00**

The Drum Panel consists of four different length tubes to provide contrasting sounds.

**Woodworking Learning Center**

**Woodworking Learning Center, Tool Cabinet / 2 Benches**

**5,240.00      5,505.00**

The Learning Center includes locking tool storage cabinet, real tools and two work benches. The Locking Tool Storage Cabinet contains the following: (2) C-clamps, (2) Finish Hammers (7oz.), (2) Keyhole Saws (2) Styrofoam Blocks, (1) Cup of Golf Tees, (1) Cup of nails, Small bundle of wood pieces for sawing and hammering and (2) Safety Goggles for eye protection.

**Woodworking Learning Center, Floor Add On**

**2,490.00      2,615.00**

**Total Woodworking Learning Center**

**7,730.00      8,115.00**

**Weather Station Learning Center**

**Weather Station Learning Center, 3 Panels**

**7,190.00      7,549.00**

There is no better place to experience weather with all the senses than the great outdoors! The Weather Station Learning Center includes the Weekly Weather Panel, Thermometer, Barometer, Weather Vane, and Rain Gauge.

**Weather Station Learning Center, Floor Add On**

**2,490.00      2,615.00**

**Total Weather Station Learning Center**

**9,680.00      10,164.00**

**Playground Equipment Quote**

**Truck Play Area**

<b>Truck Pit, 7' x 12' by 12" deep</b>	7,310.00	7,675.00
Children love digging, pouring, sifting, sorting, counting and manipulating pea gravel in the Truck Pit. The 9-inch-wide roads, hills and tunnels of the Truck Pit are large enough to accommodate medium sized Tonka trucks and set the stage for dramatic play.		
<b>Truck Pit Cover</b>	2,550.00	2,675.00
<b>Gravel Panel (add on)</b>	1,330.00	1,395.00
Provides three different ways to manipulate the gravel fill trucks.		

<b>Total Truck Pit</b>	<b>11,190.00</b>	<b>11,745.00</b>
------------------------	------------------	------------------

<b>Sand Table</b>	2,700.00	2,835.00
Allows children to stand, rather than sit, as they explore and manipulate a multitude of sensory items.		
<b>Plastic Lockable Sand Table Lid</b>	580.00	609.00
<b>Sand Table Activity Panel (add on)</b>	880.00	925.00
Provides two clear shoots that allow the children to pour the sand and observe the sand slide down, learning about cause and effect.		

<b>Total Sand Table</b>	<b>4,160.00</b>	<b>4,369.00</b>
-------------------------	-----------------	-----------------

<b>Total</b>	<b>76,570.00</b>	<b>80,396.00</b>
--------------	------------------	------------------

<b>Delivery &amp; Travel Charge</b>	<b>5,500.00</b>	<b>5,500.00</b>
-------------------------------------	-----------------	-----------------

<b>Grand Total</b>	<b>82,070.00</b>	<b>85,896.00</b>
--------------------	------------------	------------------

**\$77,779.00**

**Installation included in the price**

50% deposit required at time of order, balance due on completion  
 Prices are good for 30 days from proposal date and are based on typed proposal, not drawings  
 Jobs are scheduled after signed contract and deposit are received

**CPSC guidelines recommend that all play equipment have a resilient fall surface**
