Counties Served

Funding Request

Project Category	Funding Requested (\$)	Population or Quantity
Inactive PWS Drinking Water Well Abandonment	\$30,000.00	2
Total	\$30,000.00	

Cost estimate per well \$21,500 total for 2 wells \$43,000, See Quote Exhibit.

Grant Request:

Grant request per well \$15,000 total for 2 wells \$30,000

Well Abandonment - Compliance with Well abandonment Regulations

How will you follow OAC 3745-9-10 Abandoned Well Sealing and OAC 3745-9-07 Well Grouting for Construction or Sealing?

Both rules will apply and be followed. 10 is the procedure for abandoning and 07 are the materials required.

Jake Meinerding, PE; Assoc. DBIA; Principal; Director of Water Treatment for Jones & Henry Engineers will design. By using National Water Services, LLC, Ashville will obtain the services of a company register and experienced in compliance, see Contractor Exhibit.

Well Abandonment - SWAP and PWS Asset Management Program

How does the PWS plan to incorporate the well abandonment into their source water assessment report and asset management program?

The removal of two access points to the Teays Valley Aquifer will protect the Teays Valley Aquifer. This would be for the Village of Ashville and any entities that use that aquifer, see Teays Valley Aquifer Maps Exhibit.
