

VILLAGE OF ASHVILLE

WESTSIDE PARK (TRAIL, DOG PARK, ADA SIDEWALK & STORMWATER) IMPROVEMENT PROJECT

WEST OF LEXINGTON AVENUE

Vision Statement

Remembering our rural heritage, Ashville will be a vibrant and friendly community, offering an enhanced quality of life achieved through planning, progress and collaboration.

It will be a welcoming place where people want to live and businesses prosper.

 Charles K. Wise,
 Mayor of Ashville

The intent of this project is to create a LMI Community Park on the west side of Ashville. That park will provide a playground for children and their parents. It will provide a place for the local senior population (Louise Terrace, Miller Commons, and Senior Apartments). It will have a place for people to take their dogs. It will be a place that people can engage other people in community activity. It will put into action Ashville's Vision Statement.
