## The Mayor's Column—A New Best Friend

On August 18<sup>th</sup> the Wright-Poling Pickaway County Dog Shelter is teaming up with shelters across the country for the fourth annual "Clear the Shelters" animal adoption drive.

Since 2015, "Clear the Shelters" has helped 153,651 pets find forever homes. The Pickaway County Dog Shelter will try to find homes for 85 dogs current at the shelter.

This program was developed in honor of National Adopt A Shelter Pet Day, which aims to bring awareness to the nation's animal-homelessness crisis. I would like to suggest a trip to 21253 Ringgold Southern Rd, Circleville, OH 43113 or call (740) 474-3741.

Every year, millions of companion animals end up in shelters across the country. While shelter adoption rates have been steadily rising since 2011, according to the American Society for the Prevention of Cruelty to Animals, approximately 1.5 million animals — 860,000 cats and about 670,000 dogs — are still euthanized each year due to overcrowding. While we are fortunate to have a shelter that euthanizes for only health and aggression issues, it creates an obligation to get them out of the shelter to a home.

What Kind of Dog Best Fits Your Lifestyle?

The number of dogs in our shelter and shelters nationwide could be reduced dramatically if more people adopted pets instead of buying them. By adopting a shelter animal, you actually save two lives. Every single pet that is adopted frees shelter staff up to work with and prepare the next pet for potential adoption. Last year, more than 80,000 pets were adopted from over 900 shelters across the country.

So if you're thinking about taking home a new furry friend, consider heading to our shelter to adopt during **Clear the Shelters on August 18<sup>th</sup>**.

### ASHVILLE VISION STATEMENT

Remembering our rural heritage, Ashville will be a vibrant and friendly community, offering an enhanced quality of life achieved through planning, progress and collaboration.

It will be a welcoming place where people want to live and businesses prosper.

# Ashville's Summer Students

In 2018, the village had another year it benefited from our two student work programs.

With our Internship Program through the Mid-Ohio Regional Planning Commission (MORPC) is Olivia Bonnette. Ms. Bonnette is making many updates and improvements to our website. She also entered Ashville in a competition for places to live. As you can see below she assisted with Fun in the Sun registration.

Elizabeth Cain, Zachary Reeves, Kate Riley, Trent Yhraus, and Cole Younger are with our Summer Student Work's Program.

They helped with the July 4<sup>th</sup> Celebration, Fun in the Sun, mowing, painting and general park maintenance. In this article's photos you see how the Service and Utility Departments are able to get more work completed.

The picture below shows three

of these students helping Shawn Demint with the Columbus Zoo presentation during Fun in the Sun.

You may notice the Fire Hydrants are now a little brighter red from their painting. As the photos indicate they helped paint the park and village buildings. They assisted with painting the streets. They trimmed weeds at the from streets, and village buildings.

Ms. Riley pictured below is also one of the five summer students. She has been assisting in updating our files, scanning information into our database and general office support.

We hope they gained experience they can use in their future.
