## The Mayor's Column—Summer Activities

First, as Mayor, I want to thank our residents and businesses for the work they have done to protect their families, neighbors, and friends during a historic event—the 2020/21 Covid-19 Pandemic. It challenged our need to interact and come together for community events.

The State of Ohio and CDC have released new guidelines that indicated we can begin to resume many activities that we had to suspend to protect one another. I am pleased to announce the resumption of many of those activities in the Village of Ashville.

You can see by the banners that we will have Movies in the Park, the July 4<sup>th</sup> Celebration (more information at <http://ashville4thofjuly.com/>) and the Food Truck Festival (more information at <https://www.facebook.com/2018fun/>).

Movies will be in the park on June 4<sup>th</sup>, July 16<sup>th</sup>, and August 6<sup>th</sup>. The July 4<sup>th</sup> Celebration will occur between June 30<sup>th</sup> and July 4<sup>th</sup>. The Grand-parade will be on July 4<sup>th</sup> and will take place on the newly paved Long Street. It will have new curbs and sidewalks. The State Route 316 Project with ODOT, OPWC, and Ashville will be completed on June 25<sup>th</sup>. Information on this project can be found at <http://www.ashvilleohio.gov/index.php/16-village-of-ashville/264>.

While we are very close to pre-pandemic times, we are still not there. Therefore, if you are not vaccinated the advice from experts is to wear a face-mask and practice social distancing. You have a right not to get vaccinated but before you make that decision I encourage you to seek advice from a health care professional you trust.
